

Very typical style house in Oliva.

Ref: 1-3202

Description

.Very typical style house in Oliva. Located in a quiet neighborhood street. The shops and downtown area of Oliva a few minutes walk. The house needs a general reform. With 119 M2 built. It preserves the original construction parts and can highlight them in the reform. Currently with 3 bedrooms, 1 bathroom, kitchen area, small interior patio with access to the old corral and loft. With the reform of the roof, it would be convenient to form a terrace either on the attic or on part of the main roof. The dimensions of the house allow good reform options. It offers comfortable living spaces without being excessively large.
